Cincinnati, O., June S.—Ideal weather, a big attendance, voluminous speculation and excellent racing were features of the Latonia Jockey Club's opening this afternoon. During the morning hours cold and threatening weather appeared likely to meeting, but the cooles disappeared and before moon the race-goers came in locks. We was the stellar offering of the card and furnished a well-earned victory for Prince Hermis, which stood a resolute drive to get up in the last twenty yards and overtake Black Toney. The latter showed a smart performance under his heavy impost and was in the thickest of the contention from the start, ultimately bringing about the date role of early paremaking.

The Livingston stable was conspicuously successful during the afternon and accounted for two of the purses. His Royal II., one of the choices for the Latonia Berby to be run next Saturday, accounted for the third race, but to do so he was lorded to he extended to his thrack accord. Mandy Hamilton, coupled with Polroma in the second, got after a strennous drive. There was a fall in the race, iron which jockey Dishmon emerged with a irractured collar-bon and his mount, J. C. CURRENT NOTES OF THE TURF.

Buffalo racing enthusiasts are looking forward to be Hamilton meeting, opening June 25, which ways attracts considerable patronage from Buffalo

E. J. O'Connell reports that jockey H. Stearns Les recovered from his injury at Juarez last winter and will be able to take mounts from now on.

Trainer E. W. Heffner, who prepared The Finn for his victory in the Belmont Stakes, was much elated over the col's easy success. "He may not be a hig three-year-old," said he after the race, "but he's all horse."

"but he's all horse."

Will McDaniel, who has the Gerst horses in charge at Latonia has thirteen in his stable. In the string are Gipsy Blair, Morsetto, St. Charlete, Edil, Mitt Atkins, Pan Handler, Lazzi, Brickley, Converse, Ava Trovato, Colle and Circulator.

Short Grass, imported to this country from England by Emil Herz, must evidently have been trained to run the "wrong way." Wooden Shoes Holds Bac Safe-Horsemen's Committee Asks Changes in Belmont Racing Program.

New York, June S.—Small, but evenly balanced fields, participated in the racing at Belmont Park today and some exceilent sport resulted. Ideal weather and track conditions prevailed and helped to bring out a large attendance. About the best race of the day was the second, which was a high class selling dash for fillies, mares and geldings, it resulted in another victory for the Quincy Stable's Wooden Shoes, which defeated Bac and Fennouse in easy style. The winner raced into the lead early and held sway to the finish.

The Quogue Selling Handicap, at one mile and a sixteenth, attracted only three starters, with Blue Thistie held at odds-on. Substantial support forced the price on Virile down and the Hallenbeck horse went to the post an ascending favorite. Virile was recrned a handy winner, coming from behind Biue Thistie in the stretch and holding him safe in a hard drive.

Little Dipper was the medium of quite a killing when she took the third after being backed from 20 to 1 to 6 to 1. She was lucky to win, as Fennist was closing fast and wearing her down when she suddenly bolied to the outside near the finish.

Forecast led home the band of platers that ran in the first, the three-year-old receiving a good ride from jockey Lowder.

W. Sheedy has arrived at Jamaica with Perth Rock after having been ill with typhoid fever at Havre de Grace.

Jockey J. Butwell today departed for Kentucky where he will endeavor to obtain a hearing before the Kentucky racing officials relative to his suspension at their hands.

The horsemen's committee, capposed two overnight races at distances less than one mile for horses three years old and over on any race day. It is further stated that a majority of the horsemen seem to favor the raising of weights in handicaps and that the committee thinks a maiden race very day would be appropriate.

AUSPICIOUS OPENING AT BLUE BONNETS.

Tom Elward Takes Kindergarten Stakes-Montrealer. Take to the Mutuels Readily, with Profit.

Montreal, Que., June 8.—The Kindergarten Stakes was offered as an attraction by the Montreal Jockey Club for the opening day of its first meeting. The program was a good one and it proved a strong magnet, a large gathering turning out at Canada's most picturesque course to witness the sport. The Kindergarten Stakes resulted in a good contest, in which Tom Elward came from the rear and, finishing with great gameness, beat the tiring Caseo out by a half length. All of the ten carded went to the post and the race was marked by heavy speculation.

Montreal race-goers had their first taste of the

J. P. M., Detroit, Mich. The settlement was en-tirely correct.

C. G. H., Chicago. Obviously one of the two horses had been sold privately. In such cases what-ever is left in the stable runs for its backers. If it wins they win, if it loses, they lose.

J. A. F., Cincinnati, O. There are no such things as recognized "World's" record in horse racing. The American record for three-quarters of a mile is Iron Mask's 1:09% made at Juarez, January 4, 1914.

GENERAL NEWS NOTES OF THE DAY.

In the judicial election of Monday revised and completed returns from the city and country districts of Cook County show the re-election of twelve sitting judges, Edwin O. Brown being the only one defeated. The Republican party made a clean sweep of the remaining vacancies on the Circuit bench, electing seven new judges sto that court. Orrin N. Carter, Supreme Court judge from the seventh district, is also re-elected. He is a Republican. Theodore Brentano, Superior Court judge, and a Republican, is re-elected. Where the party scored another signal victory is in the election of Robert F, Turney to the one-year vacancy on the Superior Court bench. He is a Republican, who was opposed by a formidable Democratic candidate. John W. Reckwith. Turney carried Chicago and went out into the country precincts of Cook County and increased his lead.

Reckwith. Turney carried Cineago and went our into the country precincts of Cook County and increased his lead.

As an explanation in part of recent Russian reverses a Washington dispatch, of yesterday says: "Reports from various sources have convinced military experts of the truth of claims that recent Russian reverses have been due in a large measure to shortage of anmunition. Until the harbor at Archangel was opened by ice breakers late in May Russia was without a nort through which ammunition could reach her shores. Russian factories are limited and unimportant, so the only avenue through which munitions were reaching the country in quantity was the trans-Sherian Railway, Jananese ammunition factories supplied practically all their output to the Russians early in the war. But the disagreement between China and Japan over the Japanese demands and the prospect of war in the far East caused Japan to hold its war supplies in reserve temporarily."

From London yesterday a report said: "Reports of the sinking of two neutral ships, both of Norwegian nationality, by German submarines, were received here today. The victims were the bark Superb and the steamship Trudvang. The Trudvang was attacked and sunk just south of St. George's Channel, off St. Anne's Head, Wales, All the members of the crew were saved. The bark Superb was sent to the bottom in the Atlantic off Fastnet, an island at the extreme southwestern point of Ireland. She was bound from Buenos Ayres to Queenstown with a cargo of grain. The Belgian steamer Memetier has been sent to the bottom by a German torpedo near the North Foreland. Of Twenty-three persons on board only six were saved. The captain, his wife and his daughter, the first mate, the pilot and twelve members of the crew lost their lives."

A dispatch of vesterday from Milan, Italy, says:

"King Victor Emmanuel narrowly escaped death while visiting the Italian battle front, it was learned here today. An Austrian shell barst within fifty yards of the king, showering a large area with bits of metal. The army has made a popular hero of the king. While visiting his troops in the Trentino, he lived the simple life of an ordinary soldier and was frequently at the firing line."

An Athers dispatch of vesterday ways that 40 000

An Athens dispatch of yesterday says that 40,000 Turkish soldiers, wounded in the Dardanelles fighting, and 250 German officers are in pitiful need of medical attention at Constantinople. Dispatches received here today said hospital facilities in the Ottoman capital are entirely inadequate, and there is a great shortage of doctors. Hundreds are reported to be dying daily for lack of proper care.

An Austrian official report claims the capture

An Austrian official report claims the capture of Friekofel on the Carinthian frontier, a tremendous battle is devolping at the north end of Lake Garda and the Italians are advancing on a forty-mile front on the River Isonzo. These are the chief points in a summary of the day's struggle between Italy and Austria.

A British casualty list issued in London last night again shows heavy losses in killed, wounded and missing. It contains the names of twenty officers and 3.560 non-commissioned officers and men. Thirty-three of the men are suffering from gas poisoning suffered on the western front.
